

Community Development Department Home Preservation Grant Program

2535 Commerce Way, Commerce, CA 90040

PROGRAM OVERVIEW

The City of Commerce offers residents the Home Preservation Grant Program ("Program"), which provides financial assistance to income-eligible owner-occupants of single-family residential dwellings. The Program is designed to preserve decent, safe, and sanitary housing; correct hazardous structural conditions; eliminate blight; and address building and health code violations through eligible rehabilitation activities.

All properties must be owner-occupied residential units located within the City of Commerce city limits. Eligible applicants may receive grants of up to \$25,000 per home to assist with housing rehabilitation and, if necessary, asbestos and/or lead-based paint abatement.

This Program is funded through the City's Community Development Block Grant (CDBG) allocation, administered by the Los Angeles County Development Authority (LACDA).

APPLICATION PROCESS

Homeowners interested in participating in the Home Preservation Grant Program must complete and submit a Preliminary Application for review.

Please note that submission of a Preliminary Application does not guarantee funding approval or availability of funds. The purpose of this form is to allow City staff to conduct an initial eligibility review to determine whether the applicant may qualify for the Program.

Applicants who are found ineligible will receive a formal denial letter stating their program status and the reason for the determination.

Funding is available on a first-come, first-served basis to income-eligible, owner-occupied, single-family homes located within the City of Commerce city limits.

Completed Preliminary Applications may be submitted **by email, mail, or in person** at the following address:
