

City of Commerce

January 20, 2026

Dear Parents and Families,

We are excited to share an important update about the future of recreation programming at Veterans Memorial Park. As we begin the next phase of improvements that will one day bring a beautiful new recreation center to our community, we will continue to maintain a strong Parks & Recreation presence right in the neighborhood. Beginning Monday, February 2, 2026 we will open a **Veterans Neighborhood Recreation Center**, operated out of a brand-new modular trailer located adjacent to the Veterans Neighborhood Library.

We understand that moving programs from the main recreation building may cause some temporary inconvenience, and we truly appreciate your patience and support. Please rest assured that our staff remains fully committed to providing an exceptional recreation experience like no other.

Please see below for the list of program relocation sites. Recreation staff (coach, preschool teacher, class instructor) will follow up with additional detailed information and will be available to answer any questions you may have.

Thank you for being part of our Parks & Recreation family. We look forward to continuing to serve you during this transition and thank you for understanding.

Sincerely,

Adolfo Marquez

Assistant Director
Department of Parks & Recreation

Program	New Location
